For those that participate in this season of Holiday spirit It would be a pleasure to share

with you the teachings of the last Prophet in these days Noble Drew Ali who did teach our people their divine creed of Islamism and nationality of Moorish Americans, that we are not negro, black and colored people etc descendants of the ancient Moabites that inhabited the north western and south western shores of Africa.

Those of us who love Jesus, and all of the prophets, you can read the missing eighteen years of his life works and teaching in the Holy Koran of the MSTA, for those who celebrate Kwanza, you can read where the program, and creators version of the teachings, and those that of heard and seen individuals with reference to us, here is the true foundation and the divine way to salvation here on earth.

We welcome your comments before and after you attend, as the prophet has spoken "his sheep know the sound of his voice a stranger will not follow". We can change our condition.

Peace, Brother Napoleon Revels-Bey, GS MSTA #21
